Introducing: Wednesday Workdays

Thank you to all of you who filled out the Wellness Check In Microsoft Form!

We hear you and we want you to know that you are not alone. That's why we are introducing Wednesday Workdays!

When: Every Wednesday 7pm-9pm

Where: Microsoft Teams

Why: We noticed a recurring theme of low motivation because of how long each of us is looking at a screen and we want to be able to help each other out, especially because we are nearing the end of the semester.

Wednesday Workdays

How its going to go down:

- We will play music in the background.
- We can chit chat while we do our work.
- It will help you put aside time to finish work
- This is obviously not mandatory but could be very fun and beneficial!

Friends of Foster Kids

About Friends of Foster Kids: Friends of Foster Kids a non-profit organization founded in Macomb County, Michigan in 2008. From Macomb County alone there are approximately 900 children in foster care each year. We provide "Christmas" for foster children who have been removed from their homes due to abuse and neglect and placed in temporary housing or shelters. In a season for family, granting a child's wish speaks softly of unconditional love from people who care. Friends of Foster Kids has expanded its service to lend a hand to those who have aged out of foster care at age 20 but are still in need of assistance. Many find themselves with no family and no place to live. We help them by meeting some of their basic needs to live independently.

Kids On The Go

About Kids On The Go: Kids On The Go is a pediatric non-profit program designed to provide special needs children (3-17 years) with physical, occupational, speech and recreational therapies both over the summer months and during the school year.

The mission of Kids On The Go is to recognize and facilitate the goals of children with special needs and to further develop their current skills through therapeutic and wellness programs for the children and their families.

Our vision is to provide a safe environment that will foster opportunities for growth, inclusion and provides valuable resources for our community.

Macomb Food Program

About Macomb Food Program: Feeding the hungry since 1975, the Macomb Food Program provides immediate relief to those in need of food through a network of more than 50 pantries and hunger relief organizations.
