UNSUNG HERO

Unsung Hero is an MASC/MAHS award honoring a student from each member school who never seeks recognition for themselves in the form of awards, formal leadership positions, or public accolades. Unsung Hero is someone who would do anything for not only Dakota High School's Student Government but Dakota High School as a whole. Our Unsung Hero is selfless, kind, and undoubtedly herself. She has gone above and beyond for our school without being celebrated or recognized.

Our 2020-2021 Unsung Hero is...

KATE RYAN!

A LITTLE BIT ABOUT KATE

Kate is the definition of an Unsung Hero because she possesses a tireless work ethic, joyful wit, and giving heart. As a four year StuGo member, she has Co-Chaired 5 committees and served as a chair of the 2020 States Fundraising Committee, all of which she has done with grace and grit. Outside of Stugo, she maintains a schedule of four other clubs and a 30-40 hour work week, all while being the first person to always ask "What more can I do?". She is a brilliant scholar, who maintains many APs along with her volunteer roles, which include being a catechism teacher! Her bleeding heart, down-to-earth persona and never-ending determination allow her to do all of this without seeking any recognition, while being someone that truly deserves it the most. Kate, you are one of our most valuable members, and we cannot imagine the last four years, without you. Thank you for all you do and we wish you the best of luck as you shine into your next chapter of life.
